# INVESTING IN OUR FUTURE

## BIG ENOUGH TO BE A SCHOOL SMALL ENOUGH TO BE A FAMILY

Tri-County Christian School serves the Freeport and surrounding communities as an independent, interdenominational Christian school with students from over 30 area churches.

TCCS provides preschool through 8th grade classes where all subjects are taught from a Christian worldview. Students also participate in a dynamic weekly chapel service which enhances the TCCS experience. In addition, students have opportunities to participate in extracurricular activities such as ACSI sponsored Math Olympics and Speech Meet, Young Authors, boys' and girls' basketball, and a variety of community service projects.

Developing Christian character, providing educational excellence, and preparing students for a lifetime of servant leadership is the TCCS mission. The student and teacher relationship is paramount with a goal that students feel loved, challenged, and heard. TCCS celebrates the opportunity and honors the responsibility to serve our community by raising up generations of strong leaders.

# YOU CAN MAKE A DIFFERENCE

This 2023-2024 school year, Tri-County Christian School is celebrating it's 40th year of serving our local and surrounding communities. Since 1983 we have graduated hundreds of students from 8th grade that have gone on to serve in the military, become attorneys, principals/teachers, art directors, business leaders, scientists, and various professionals in the medical field, just to name a few. Being a part of molding young student's educational journeys continues to be made possible through the support of our TCCS sponsors.

**By becoming a TCCS sponsor, you are supporting the future of our local community and world. Your one-time or monthly commitment to Tri-County Christian School allows us to continue to provide quality, Christian educational experiences to students in preschool through 8th grades.**

**Would you consider becoming a featured sponsor at Tri-County Christian School for the 2023/24 school year?**

*The mission of Tri-County Christian School is to provide the Christian family with Christ-centered educational experiences, emphasizing the development of Christian character, educational excellence and preparation for a lifetime of service to God and man.*
