Dear Friend,

As we enter into the celebration of our 40th school year, we would like to extend to you the opportunity to partner with Tri-County Christian School by taking part in our year-long sponsorship program. The uniqueness of TCCS is that we are **the only independent, interdenominational Christian school** in the community; we are not a ministry of one church. At Tri-County Christian School, we are more than just a school, we are family. We encourage our families to support the businesses that support TCCS which in turn supports our local community.

**Abraham Lincoln once said, “The philosophy of the schoolroom in one generation will become the philosophy of the government in the next.”** Now, it is as urgent and imperative as it has ever been for us to impact our young people for Christ. Our sponsorship program **provides your business with increased brand awareness, customer loyalty, and networking.** In addition, becoming a sponsor of TCCS does more than just provide your business **high impact, high visibility ways to increase the value of your advertising dollars,** but also supports the future of our local community and world in developing tomorrow’s leaders (see enclosed flyer for details).

Your gift makes a difference! If you are interested in partnering with TCCS, please complete and return the included form or communicate your intent to the email below by July 10, 2023. Please also include a business card with logo if available. Note that submissions received after July 10 are not guaranteed to have their business name and logo printed on this year’s TCCS sponsor t-shirt and sponsor banner.

There is no greater, nor more profitable investment, than sowing into the lives of the next generation. Thank you for your careful consideration in joining with us for this worthy endeavor.
