Mission Statement

Tri-County Christian School's mission is to provide the Christian Family with Christ-centered educational experiences emphasizing the development of Christian character, educational excellence, and preparation for a lifetime of service to God and man.

Tri-County Christian School was established 26 years ago to serve Freeport and surrounding communities as an **independent, interdenominational Christian school**. Our students come from over 20 area churches.

TCCS provides **preschool through 8th grade** classes, plus morning and after school latchkey child care to accommodate your work schedule.

Currently located on two campuses, TCCS offers **traditional academic subjects taught from a Christian worldview. A phonics-based reading program** enables most kindergartners and 1st graders to become fluent readers.

In addition, students have opportunities to participate in **extra-curricular activities** such as Math Olympics, Speech Meet, Young Authors, Spelling Bee, basketball, and **various community service projects**.

For more information, call us at 815-233-1876 or visit our website: www.tricountychristian.org

TCCS would like everyone who desires a Christian education for their children to have the opportunity to choose one. Therefore, we have a financial aid program that assists families who qualify.
