WELCOME TO THE 2020-21 SCHOOL YEAR

Welcome Back!

Words cannot express how delighted we are to have students back in the building and also having those who are joining us with remote learning by choice! This is the first issue of the weekly Eagle Eye for the 2020-21 school year. For those of you that are new to the TCCS family, the Eagle Eye is a resource that our school uses to communicate important school information to our families. Please take time to read this newsletter weekly. It is available on our website (www.tricountychristian.org) and you will also receive it by email and as a text message with a link.

Back-to-School Orientation Packets

We are not having a traditional Back-to-School Orientation this year due to Covid-19 restrictions. Many teachers have already sent home forms for you to review and sign. In order to continue to communicate important information, please watch for paperwork that may be sent home with your student(s) that may need to be signed and returned. Also please check your email regularly for communications from TCCS. If you have any questions, please contact the office at 815-233-1876 or tccsoffice@tricountychristian.org.

Checking Students Grades and Homework

A detailed email was sent out yesterday with instructions on how to create your login to our Parents Web/Family Portal. A link to the Parents Web/Family Portal is available on our website at <http://www.tricountychristian.org/>. If you have any questions regarding accessing your Parents Web/Family Portal, or if you need your password reset, please contact Mrs. Joy Hotchkiss at 815-233-1876 or jhotchkiss@tricountychristian.org.

School Picture Day

Wednesday, September 16, will be school picture day. Be on the lookout for information coming home with your student soon.

T-shirts will be sent home with the students unless otherwise stated on your order form.

Color Run/Walk

Tri-County Christian School is excited to be hosting our 5th Annual Color Run/Walk on Saturday, September 26. Due to restrictions on gathering sizes we are limiting the number of in-person participants to 40. In light of this, we will be offering a virtual option this year. You will still register and receive the same color packets and goodie bags as if you were in person but you will be able to map out your own run/walk and throw your own color as a family, neighborhood or with friends. Be sure to send in pictures so we will be able to share them on our Facebook page. More information will be sent home with your TCCS student soon. Volunteers are needed to help with route assistance, throwing color and registration. If interested in helping, please contact Andrea Stodden (astodden@tricountychristian.org or 815-233-1876).
