Please Plan to Attend the Tri-County Christian School Association Meeting (via Zoom)

Our first of two Association meetings for this school year is coming up on Tuesday, January 26. At this Zoom meeting, we will give an update from the first semester of this year and then vote on the preliminary budget and tuition schedule for the 2021-22 school year. We request your attendance, not just to be informed but to be a voice as these major decisions are being determined. Only members are able to vote, but all families are encouraged to attend. If you are interested in becoming a member, a membership application is attached to this email.

Each of you is a very important part of the Tri-County Christian School family. Uniquely, TCCS from its inception, has been governed by an Association that is made up of current families, past families, board members, staff, and donors. This group of individuals alone have the right to elect board members and to approve the budget, which establishes yearly tuition. The Association meets semi-annually in January and May. Details for the January meeting are as follows:
