Don't Miss Out! 2019-20 Enrollment

There is still time to get your 2019-20 enrollment paperwork submitted for the early-bird registration fee pricing. The registration fee for the 2019-20 school year is annually scheduled to increase on April 1. However, since that date falls the day we return from spring break this year, **we have decided to extend the early-bird pricing through Friday, April 5, with the increase taking effect on Monday, April 8.** If enrollment paperwork has been submitted without payment, the registration fee is due by April 5 in order to get the lower fee.

Plans for the 2019-20 school year regarding staffing, classroom space/assignment, etc. are contingent on enrollment. It is vital that spots are secured in order to assure enrollment in classes.
