Teacher Appreciation Week (May 6 – 10)

Let's celebrate our teachers! Teachers are real life superheroes. They educate, innovate, encourage, mentor and support. Every day they touch the lives of their students. Their work and impact extends far beyond the boundaries of the classroom. We encourage you to think of ways to serve and bless the teachers in your TCCS students' lives. Something that can be so easily overlooked is a handwritten note that puts your appreciation in writing. In this world of high technology, there is still nothing quite like a personal note of thanks to let someone know how much they are appreciated! Here are a few ideas of ways your student can bless a teacher next week:

Monday – Show your teacher your best writing skills. Bring in a card (homemade or store bought).

Tuesday – Shower your teacher with their favorite treat. Bring in your teacher's favorite snack or candy.

Wednesday – Teachers don't have favorites, but they do have a favorite color, wear your teacher's favorite color.

Thursday – All teachers work best with their "tools." Bring in an item that will help make your teacher's job easier.

Friday – Sketch a flower, bring in fresh flowers or a gift that smells as sweet as a flower to say "Thank You" for your teacher's hard work and dedication!
